

Smithville Disc Golf Sponsorship Form

What is Disc Golf: Disc Golf has been one of the fastest growing recreational sports in the nation for more than a decade. Disc Golf is a cousin of what most people associate the word *golf* to mean - swinging a club and making a tiny ball go into a hole. The basics of Disc Golf are very similar. There are specially made discs that do exactly what different clubs would be used for; like driving, approach shots, and putting. The object is to throw the least amount of times and make your disc go into a basket. Riverbend Park is free public park than many people enjoy!

Who we are: The Smithville Disc Golf Association promotes the sport of Disc Golf in Smithville, Texas, through participation, volunteering and community involvement at the course at Riverbend Park. We work very closely with the Smithville Parks and Recreation Department to encourage park usage through tournaments and instructional efforts. Both groups work toward the improvement of the disc golf course at the park. All are welcome to join and participate.

HOW YOU CAN HELP : WE NEED TO FUNDRAISE AND BUILD 9 MORE HOLES !!

By donating \$500 you will be financing the material cost of one complete hole!

THE BEST PART, YOUR DONATION IS TAX DEDUCABLE!

*We will place a placard at the site of your hole that will thank you for your support. Hundreds, if not thousands of players will recognize your contribution and appreciate your gift!
