

Welcome to

We're excited to announce effective March 1, 2026, Texas Disposal Systems (TDS), a group of locally owned and managed companies, will be the new Solid Waste and Recycling Services provider for the City of Smithville.

TDS services will begin the first full week of March, starting March 4. Please note, your current trash and recycling pickup days may be changing. For specific details on your new schedule, please reference pages 2-4.

The last collection with your current service provider will take place during February 23 - February 27, 2026. On your current pickup day that week, please remember to leave your old carts at the curb to be collected.

We're here to make this transition smooth and easy for you!

Please have carts at the curb by 7:00 a.m. on your service day.

For questions, please contact Customer Care at (848) 773-7734.

City of Smithville Collection Details:

Contract Information:

Effective March 1, 2026, Texas Disposal Systems (TDS), a group of locally owned and managed companies, is the contracted provider of solid waste disposal and recycling curbside collection for the City of Smithville.

Your trash and recycling pickup day occur on the same day of the week. Trash collection happens every week and recycling collection is every other week.

Your trash pickup is limited to your cart only. Your recycling pickup is limited to your cart only.

TDS does not accept hazardous materials, non-compactable materials, dirt, concrete or construction materials.

Bulky & Brush Service Information:

City of Smithville residents receive twelve (12) bulky or brush pickups per year. To schedule bulky or brush pickups, residents should call TDS Customer Care at (844) 873-7734.

Bulky pickup includes materials not easily contained in a bag such as, but not limited to, furniture, carpets and rugs, lawn equipment (drained of oil and gas), large toys, large appliances, and yard trimmings in bags or bundles.

Yard waste must be bundled, tied and cut into four (4) foot lengths with cut ends facing the curb. Limbs must be 4 inches or less in diameter.

Please see bulky and brush pickup guidelines attached for more information.

Additional Information:

Observed Holidays:

- Thanksgiving Day
- Christmas Day
- New Year's Day

On such holidays, service will slide one (1) day after the normal collection day.
*Subject to change.

Additional carts may be requested through the City by calling Utilities (option 1) at (512) 237-3282, and provided at an additional fee.

For service updates and collection reminders, download the Waste Wizard app. See page 6 for more information on the Waste Wizard.

WASTE WIZARD

Customized information tool for residential customers

The Waste Wizard app educates communities about proper waste disposal and keeps residents informed about their collection schedules.

The TDS Waste Wizard allows you to stay up to date on service alerts and scheduling changes, view your cart collection calendar, sign up for custom reminders regarding your curbside service and learn about proper disposal of commonly used items through our “What Goes Where” tool.

The Waste Wizard App reduces day-to-day hassle, improves residential satisfaction, and provides ease of mind to all residential managers and also features a kid-friendly interactive game.

Available on the App Store and Google Play Search “Texas Disposal Waste Wizard”

NOTIFICATIONS

Residential customers can sign up for collection day reminders via email, phone call or text message through the Waste Wizard App. Customers can also sync their collection schedule to their mobile device calendar.

In addition to collection day reminders, residential customers will receive service alerts in the case of any disruptions, delays or rescheduled service due to holidays, inclement weather or route issues.

WHAT GOES WHERE?

The “What Goes Where” feature allows customers to search for commonly used items to determine which waste stream the item should be placed in, and offers solutions for items that TDS does not accept.

The “What Goes Where” tool minimizes contamination, and increases recycling adoption.

SERVICE REQUESTS

All service problems or requests can be submitted through the Waste Wizard. These requests include comments, your location and images.
